Community Newsletter

June 2014

New Beginnings: 2014 is a time of new beginnings for several residents who have had homes built, bought homes and have moved into Oyster Bay 2. The longer time residents and OB2 Board extend a warm welcome.

Also, this month, for the first time, we now have an OB2 Residents Directory. This will not only be of use in case of emergency for neighbors to contact someone, this also helps all of us get to know our neighbors better as we can more easily put names to faces we see.

This newsletter hopefully will enable all of us to share suggestions with one another of activities and special places you might recommend, and also be a source where residents can list items for sale or other community information.

Chincoteague Cultural Alliance Saturday Coffeehouse

Enjoy a relaxing evening with area and regional talent. The Coffeehouse monthly event is only \$5 for adults and well worth the price. It meets at the Cultural Arts building on Church St. 6:30 - 10pm. Light meals and snacks are available for purchase. Upcoming dates:

June 21	July 19	August 16
September 20	October 18	November 15

A Great Treat

Here's a great discovery if you have not already discovered the same – **The Chesapeake Bay Dairy:** travel north on Rte. 13 to the light AFTER WalMart and the bridge. Turn right at the light and go about 3 miles to Whitesburg Rd., turn left and go about 1 mile, make a left and the Dairy is a short distance up the road. The BEST homemade ice cream ever, along with lots of homestyle jams, jellies, relishes, pickled vegetables, bread mixes, local corn fed beef steaks, ground beef,

local sausage and bacon, fresh butter and cheese. It is THE BEST and worth the ride.

New Bakery in town: Check out the new bakery on Maddox Blvd. Lots of special desserts and breads.

Have you discovered **Barbaly's Homestyle Restaurant** in Newark, MD? It is a 45 minute ride and worth it for a real home cooked meal. Barbaly's is in the converted railway station in Newark and ONLY open for dinner Thurs - Sat nights. Call for reservations and google for directions.

FREE things to do: The Salisbury Zoo is free and a great place to visit on a day when the beach is not so great.

Local Carver: Right before the entrance to OB2 on the west side of Main St. is Roe Terry, carver. He has a shop behind the house and there is a sign. If you have not visited Roe, stop in and see his shop and a carver at work.

OB2 Folkcrafts: OB2 has its own folkcrafts artists. Check out the items at the **Horse With No Name** gallery on Main St. We will not tell you who ... let this be a detective challenge.

Poseidon's Pantry, a gourmet grocery and deli on Maddox Blvd. Check out this newer shop. One of our new OB2 residents works there.
