All Around Town ...

In an effort to mix things up a little bit (and or to find just the right amount of space to fit the info into and also to see if you're paying attention) the order of this newsletter is slightly different.

If you're looking for something to do around this neck of the woods during the month of August, here are some great resources to check out:

This Is Definitely Not A Fluke ... Check Out Julia's Cuke!

Congratulations to Julia Duston for helping to grow the largest cucumber ever seen in OB II. Her vegetable gardening advice includes lots of sunshine, regular watering and patience. Just in case any of you are wondering, Julia's cucumbers are delicious, too!

The Great Power Line Fire Of OB II ...

By Phil Hoey

On Sunday, July 2nd our four-legged alarm system (the Rottie and the Golden Retriever) started barking so I went outside to see what was going on.

A tree limb had fallen over the high voltage line and the efficient Chincoteague Volunteer Fire Company was immediately on the job, blocking the street and keeping people safe and away from danger.

A highly trained technician, Virgil from ANEC, was promptly on the scene removing the downed part of the tree, which had split at the base.

All of this took place with no interruption in electrical service.

Many thanks to the Chincoteague Volunteer Fire Company and ANEC!

After Reading About the Fire, Does Anyone Need Some Cooling Off?

Well, thanks to Monica Suchoski, we've got something to help cool you off. Monica found this summer craft cocktail featured in *Edible Delmarva* Magazine.

Watermelon Basil Smash

- 2 oz. Dogfish Head Whole Leaf Gin
- 1 oz. fresh lemon juice
- 3/4 oz simple syrup
- 3 one-inch cubes of watermelon
- 2 large basil leaves

Add watermelon cubes and basil leaves to cocktail shaker. Muddle enough to crush the watermelon. Add the rest of the ingredients to the shaker. Shake hard for 10 seconds. Double strain over ice into a Tom Collins glass. Garnish with watermelon wedge and a basil sprig.
